

# Role Profile Supplement

## My Current Role and Responsibilities

### MY CURRENT ROLE:

<b>Current role:</b>	Wellbeing Worker – Through the gate
<b>Role Profile/ Job Title:</b>	Wellbeing Worker
<b>Location:</b>	HMP Thameside Tower Hamlets or Hackney
<b>My Manager:</b>	Team Leader

### SUPPORT/TRAINING:

- Line Management and support from CJ Team Leader;
- Shadowing of criminal justice locations (e.g. prison, probation, custody suites, Court, Probation);
- Additional guidance/training relating to enforceable criminal justice treatment options;
- Specific training relevant to work locations (e.g. prison specific training);
- Support from National CJ Lead and attendance at National CJ Forum

### SPECIFIC RESPONSIBILITIES I HAVE:

- Act as **Wellbeing Worker** for a caseload of service users receiving enforceable treatment and/or involved in/at risk of offending behaviour;
- Deliver treatment in line with relevant local enforceable treatment requirements (e.g. Drug Rehabilitation Requirement, Alcohol Treatment Requirement, Conditional Cautions, Community Resolutions);
- Deliver treatment interventions from a range of criminal justice settings in line with local arrangements;
- Ensure timely feedback to Probation on appointments and non-attendance, undertake 3-way meetings and co-locate with Probation where local arrangements allow;
- Undertake assessments in custody with a view to engage service users in treatment and provide high quality harm reduction advice;
- Collaborate with prison-based drug treatment staff, including undertaking pre-release visits/assessments to ensure excellent continuity of care;
- Represent Turning Point within Courts, supporting assessments of suitability for enforceable treatment requirements and feeding back on progress;
- Collaborative with local Integrated Offender Management and other multi-agency arrangements (e.g. MAPPA, MARAC).
- **Escort willing client's on release to their appointment with community treatment provider, probation, housing.**
