

Role Profile Supplement

My Current Role and Responsibilities

MY CURRENT ROLE:

Current role:	Psychosocial Recovery Worker
Role Profile/ Job Title:	Recovery Worker
Location:	Salisbury & Trowbridge
My Manager:	Team Leader

SUPPORT/TRAINING:

- Comprehensive Induction
- Line Management and support from Team Leader; Group Lead
- Shadowing of Groups, 1-2-1 Keyworking, 1-2-1 Brief Interventions
- Training provided for Motivational Interviewing (MI), Motivational Enhancement Therapy (MET) and training in all Turning Point Groupwork Material & Delivery

SPECIFIC RESPONSIBILITIES I HAVE:

- Ability to travel within the service locality and to other Turning Point's operational locations (Main service delivery sites are Trowbridge, Salisbury and Chippenham)
- Facilitate a range of evidence based psychosocial interventions with clients, under the supervision of the Group Lead.
- Work alongside Recovery Workers and Peer Mentors to provide psychosocial interventions in group formats.
- Offer and facilitate 1-1 psychosocial interventions to clients where necessary.
- Collect feedback from clients who are/have engaged with psychosocial interventions within the service.
- Maintain up to date and clear records (e.g., attendance sheets, case notes, etc.)
- Liaise with Recovery Workers regarding client progression within psychosocial interventions.
- Contribute to Multi Disciplinary Team meetings, particularly with relevance to bringing a psychosocial interventions perspective.
