

# My Current Role and Responsibilities

## MY CURRENT ROLE:

|                                |                                    |
|--------------------------------|------------------------------------|
| <b>Current role:</b>           | Recovery Worker – Community Worker |
| <b>Role Profile/Job Title:</b> | Recovery Worker                    |
| <b>Location:</b>               | Wakefield and District             |
| <b>My Manager:</b>             | Team Leader                        |

## SUPPORT/TRAINING:

- Full 6 months induction period with relevant e-learning applicable to the role.
- Regular supervisions to support learning and development in role
- Additional training programmes as appropriate

## SPECIFIC RESPONSIBILITIES I HAVE:

- Support with collation of service user feedback i.e. “You Said, We Did” boards.
- Support with creation and implementation of local Service User Forums across the district.
- Collaborate with External Services to support best practice with service user feedback.
- Attend regular meetings both internally and externally
- Promote service user involvement across the organisation
- Be a point of contact for service users engaging within forums and the service user council

## WHAT I NEED (in addition to core role profile skills and competencies):

- Ability to manage own time
- Lived Experience and/or experience of involvement engaging people in recovery
- Ability to Motivate and Inspire involvement in forums
- Creative innovations for involvement of people throughout services
