

# My Current Role and Responsibilities

## MY ROLE:

<b>Role Profile/Job Title:</b>	Recovery Worker
<b>Location:</b>	Wakefield and District
<b>My Line Manager:</b>	Team Leader

## SUPPORT/TRAINING:

### Essential

- 6 months induction to Inspiring Recovery Service including overviews with all teams to build awareness of the whole service
- Extensive job specific E-Learning programme
- Shadowing time with experienced Recovery Workers and the Senior Recovery Worker
- Supervisions to support learning and development in role

## SPECIFIC RESPONSIBILITIES I HAVE:

- Liaise with Primary Care GP's in the community to deliver quality evidence-based interventions for our Service Users
- Communicate with Shared Care GP's daily so they can remain up-to-date with service user progress
- Support the service to deliver shared events to help strengthen relationships within the Shared Care Surgeries

## WHAT I NEED: (in addition to core role profile skills and competencies):

### Essential

- Car user
- Substance misuse knowledge
- Ability to manage own time and work independently within GP surgery settings
- This role is primarily based in GP surgeries across the Wakefield district and travelling between the sites to hold face to face interventions with client caseload
