

WHAT I AM ACCOUNTABLE FOR:

- Ensuring the delivery of high quality, targeted individual and group psycho-social interventions with the people we support
- Adhering to compliance and governance for internal and external regulatory frameworks
- Adhering to organisational policies and procedures
- Ensuring that outcome measures are collected in a clinically meaningful way, collated and interpreted
- Offering psychological perspectives on client treatment during case consultation and team meetings
- Supporting other staff in the delivery of group-based psycho-social interventions
- Obtaining feedback from staff and clients on psychologically-informed aspects of treatment, discussing with Practitioner Psychologists for team discussion of service improvements
- Helping to identify treatment gaps and carrying out literature reviews to support service developments

WHAT'S IN IT FOR ME:

- Career pathway and professional development
- Opportunity for formal qualifications or clinical accreditation
- Pay progression
- Enhanced benefit package
- Being part of a learning organisation that shapes our vision and values to make a positive difference to peoples lives

HOW I OPERATE

Values Led Leadership

- I am empathic and congruent in all my interactions with people;
- I work together with others to get the best possible outcomes;
- I put the people we support at the heart of everything I do;
- I seek and give constructive feedback
- I maintain professional boundaries and present a professional image at all times;
- I actively seek opportunities to develop myself;
- I take ownership and accountability for my actions and decisions.

WHAT I NEED:

Skills \ Knowledge
